Invitation to the 16th International Conference on Education Research

Dear Jiwak Bajracharya (International Christian University (ICU), Japan)

We are pleased to invite you to the 16th International Conference on Education Research (ICER). The conference is hosted by the Education Research Institute at Seoul National University.

- **Theme: Future Education Design: Theory, Practice, and Policy**
- **Dates: October 14-16, 2015**
- **Location: Hoam Convention Center, Seoul National University, Seoul, Korea**

Since the year of 2000, 5,000+ participants from more than 20 countries have participated in the International Conference on Education Research (ICER). ICER has been a leading scholarly conference with 150+ sessions, covering various issues and topics in education, and networking opportunities with fellow scholars, researchers, educators, and policy makers.

We hope that ICER will provide you with an opportunity to share and learn latest research issues and policy implications for future education design, and to expand scholarly ideas focusing on theory, practice, and policy, thereby meeting experts in diverse areas of education.

If you have any questions about the 16th ICER, please feel free to contact the ICER organizing committee at icer@snu.ac.kr.

We look forward to seeing you in October in Seoul, Korea!

Thank you.
